- Ord. 2019-292-5- Chapter 15.03 Building Permits and Fees, Expiration of a Bldg Permit

The Commission had concerns about Ord. 2019-292-3-Chapter 11.03(B), Additional Use Regulations, Accessory Buildings, Residential Districts, in regards to the lack of size restrictions for attached garages. The P&Z Board was asked to revisit this section.

Mayor Hazuka gave the first readings on Ordinances 2019-292-1 through 2019-292-5. The second reading will be held on May 20, 2019.

MAINTENANCE REPORT

The May 6th Maintenance Report included the following items: Maintenance Tech Jake Haar has been working on cutting down the gravel roads as requested by numerous citizens, the skid loader linkage cable broke and parts are ordered, the newer mosquito sprayer purchased last year is ready for the season and employees have been trained on its operation, street sweeping will take place on May 20th, seasonal help and age requirements were discussed, and compost pile regulations are being researched. Haar said the lift station alarm continues to go off in the a.m. and evening; a third pump needs to be installed, along with a DFD drive and backflow preventer. Park maintenance is underway, including mowing, trimming, weed control and play area protective impact surfacing. The Commission discussed purchasing a Branson tractor; FO Hunnel was asked to check into additional financing options.

FINANCE OFFICER REPORT

FO Hunnel presented the Commission with the 2018 Annual Report. Lund motioned to approve the 2018 Annual Report. Second by Ganschow. Motion carried, all voting aye. Hunnel said the sump pump audit was very successful, with 33 out of 45 homes responding right away. The 12 remaining homes will be sent a second reminder. Special thanks to those scheduling immediate appointments.

Hunnel and Deputy FO Bauer are looking into a new phone system for City Hall and updating the credit card payment system. The maintenance computer has quit working and due to its age is not worth repairing. Lund motioned to approve the purchase of a Lenova Chromebook for \$159. Ganschow seconded. Motion carried. Hunnel is working with Police Chief Johns on a prescription drugs drop off event, or getting information to residents concerning the county drop off site.

COMMISSIONER REPORTS

PUBLIC UTILITIES

Commissioner Jacobson asked what the progress was on the remaining properties needing a new water meter. Bauer said there were a few mobile homes left; maintenance was waiting until summer to work under the structures. Jacobson had received a call from a former employee claiming he had left some equipment with the city. As this allegedly occurred several years ago and could not be proven, no action was taken.
