First game will be Wed July 13<sup>th</sup>. We will play 5 weeks of regular games with a tournament the following week.

Teams will consist of 3 males and 3 females. You can have more members and rotate in and out throughout the game.

No more than 1 more male than females. So if you only have 2 females that night, you can only have 3 males on the court at one time. You can't have 4 males and 2 females.

Volley for either serve or side.

If you have any questions, contact Eric Bunkers @ 496-3186 or erickb@iw.net.
